Strength and Vitality to the Weak, Worn-Out Ones in Her Charge.

Rosary Hill Home, Hawthorne, N.Y. "I have been at work among the sick of destruction that ever hangs and poor for nearly eighteen years, and above the heads of the people. whenever I have used Vinol for rundown, weak or emaciated patients, they have been visibly benefited by it. One patient, a young woman, was so weak and ill she could hardly creep to my door for aid, and was leaning on a friend's arm. I supplied Vinol to her liberally and in a month when she returned to thank me I hardly recognized her. She was strong, her color charming and her cheeks rounded out. These words are uttered from my heart, in order that more people may know about Vinol, as there is nothing makes in happier in the world than to relieve the sick."—

Shoes and Oxfords

"Make Life's Walk Easy"

Without fear of contradiction we say that we have the best line of shoes in the county WALKOVER, for men.

ZEIGLER BROS., for women.

R. T. WOOD & CO., for misses and children.

GODMAN & CO., for medium price ladies shoes. ENDICOTT-JOHNSON CO, the best in work shoes for men.

In any of the above we have prices that fit the pocket as well as the foot.

Walkover Shoes—There is very little to be said about Walkover shoes and slippers. They have won for themselves an enviable place. Next as to wearing quality, they have proved themselves trusty friends that a man can feel at home in, for they are comfortable and easy. Lastly, they talk to your pocket book. \$5.00 shoes that you will pay a dollar more elsewhere; \$4.00 shoes that equal other five dollar shoes, and \$3.50 shoes that beat all three-fifty shoes. A man who doesn't get his feet into a pair of Walkover low-cuts, doesn't appreciate the full comfort of summer dress.

Zeigler Shoes and Godman Shoes for Women-Any woman can please herself in footwear here. The most fashionable styles of oxfords and the best thing in slippers are here to select from in the Zeigler line. Ever notice the more comfortable the shoe, the better is apt to wear—the strain is properly distributed.

That is one renson why GODMAN shoe wears; it fits well wears where it is meant to wear, and so wears well. R. T. Wood & Co. Shoes for Misses and Children-A young girls foot is naturally pretty. Keep it that way by fitting it up with a pair of R. T. Wood Shoes. They wear just as well as they look.

Endicott-Johnson Co. - The last word in work Shoes for men and boys. We carry a complete line of work shoes made by the above company and we will give you our word, we have never seen anything that will equal it for wear. If there was a better line we would get it. We have them in plow shoes from \$1.75 up to \$3.50 for the "Rock Ribbed" Railroader. There are a great many shoe manufacturers that make a shoe to sell for \$3.50 but there is only about one that makes a \$3.50 shoe. Then we have a strong proposition in a \$2.50 shoe for men. No better leathers have been tanned than goes in Endicott Shoes—that's why they wear so well. Remember, they are equally as strong in boys shoes, ranging in price from \$1.25 to \$3.00. More solid bargains in shoes to the square foot than you can find elsewhere in the county.

Money talks and it usually talks "cents."
